

# PAIGAH TOMBS

## GEOOMETRY STUDIES

@azizaesque

150 year old necropolis  
belongs to the *Paigah* family

- 

The *Paigahs* were influential aristocrats during the rule of the Nizams of Hyderabad, from 18th to 20th century, located in Deccan India

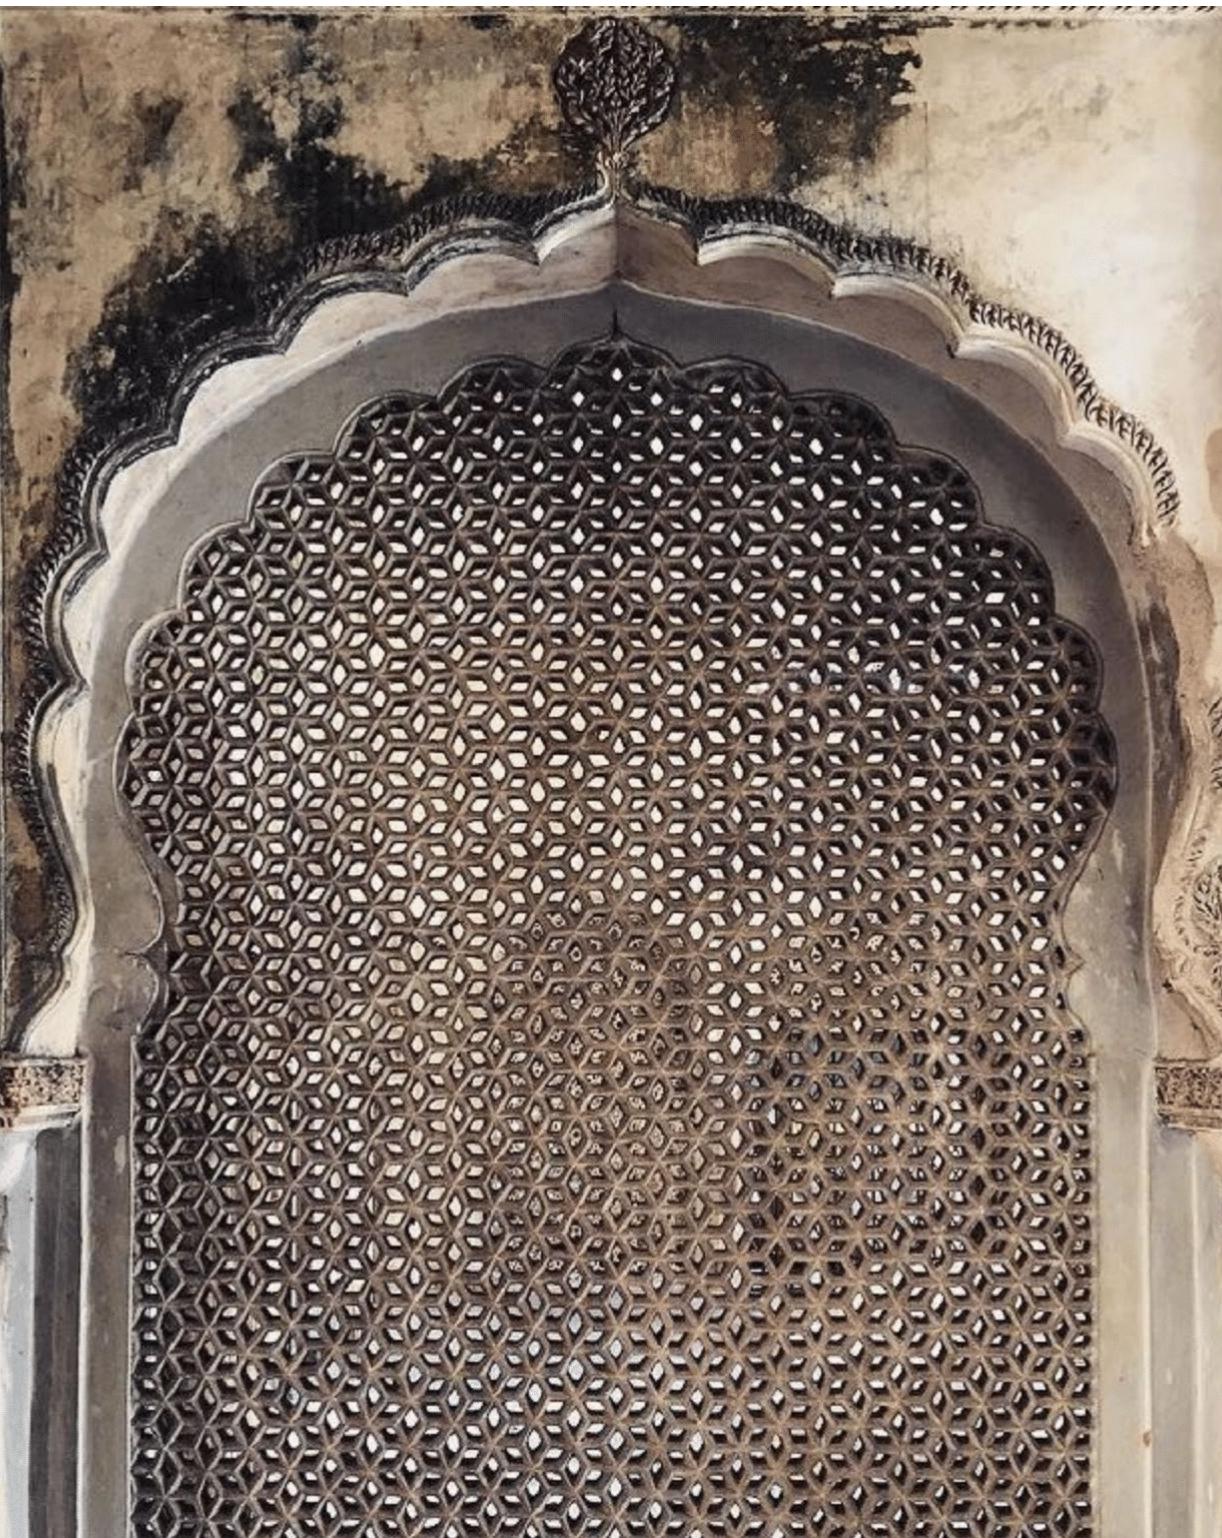

- 

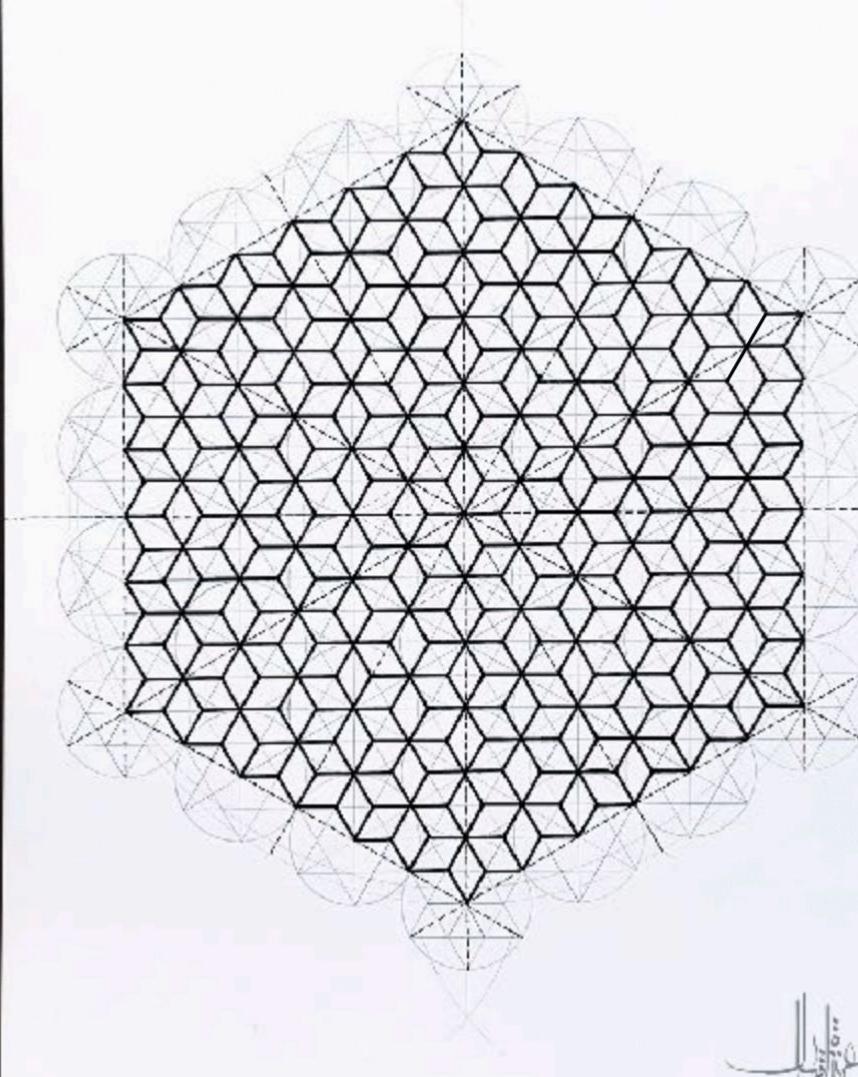

Off the beaten track,  
monument is currently  
under restoration by the  
Aga Khan Trust for Culture  
(since 2019)

- Exquisite lime plaster *jaalis* and stucco carvings
- Wide variety of unique patterns

- Documented 35 geometric patterns from my visit in 2018
- 24 patterns with six-fold symmetry of which 23 are based on an isometric grid
